## Demineralised water installations

### Installation costs

Additional installation costs vary based on your location in Belgium / Luxembourg. Our technician starts from Lixhe. Distances mentioned are one way.

Km from Lixhe	Price
0 - 25 km	FREE
25 - 50 km	€ 100.00
50 - 100 km	€ 200.00
100 - 150 km	€ 300.00
> 150 km	€ 400.00

Valid until 31.12.2025, pricing excl. VAT

### Regeneration service

Over time, the resins reach saturation and the cartridge requires regeneration. A Filter Service driver collects the used cartridge while delivering a regenerated cartridge.

The graph illustrates the volume of water produced below 1 µS/cm with one cartridge. The amount produced depends on the starting hardness of the water. Mentioned values are indicative. Fo
